Notes:

Regarding Shipping your Computer: Do not send your computer via UPS Ground. On your shipping form, enter the value of the computer as \$15. Enter in the Customs Description Box: "Computer Core. Canadian Goods Returning for Warranty Exchange." If you do not comply, you will be charged the resulting brokerage fees.

Your computer must accompany this order form. Computer calibrations are not locked in the event you'd like to tune your own engine. Check warranty information if you so desire to do your own tuning. Speed limiter is removed, can be set up for factory emissions if desired. The undersigned agrees to further indemnify Wester's Garage from seen or unseen damages or claims, demands, losses, costs, damages, suits, judgments, penalties, expenses, or liability of any kind or nature arising directly or indirectly out of or in connection with this custom program request and further release and discharge each and every person or entity referred to herein of and from any known claims, demands, losses and/or liability of any kind. In addition, the undersigned has personally completed the worksheet to the specifications of their vehicle and has read the release under which Wester's Garage and all agents cannot be held responsible for any claims concerning the above vehicle. By signing this release form, I acknowledge that this product is not C.A.R.B. Certified and designed for off-road use only.

I, _____ have personally completed the above worksheet and fully read, comprehend, and accepted the above terms and conditions.
